

Big Sky Youth Empowerment presents

Advances in Suicide Assessment and Treatment Planning

with John Sommers-Flanagan, Ph.D.

Bozeman - Friday, May 17, 2019 - 8:30am to 4:30pm | Norm Abjornson Hall - Room 165

6.5 continuing education credits available
Text "ADVANCE" to 51555 to purchase tickets

This workshop will help you:

- Initiate collaborative safety and treatment planning protocols.
- Understand suicide dynamics at a deeper level, as well as the limits of risk factor assessment.
- Respond effectively to client hopelessness, irritability, passive suicidality, and more.

Due to generous underwriting by
Big Sky Youth Empowerment
this workshop will be offered at 50% of the usual rate.

\$100

For licensed professionals
who need a continuing
education certificate

\$50

For students and
unlicensed participants

John Sommers-Flanagan is a clinical psychologist and Professor of Counselor Education at the University of Montana. He is author or coauthor of over 100 professional publications and eight books.

Dr. Sommers-Flanagan has been publishing articles, book chapters, and videos on suicide since 1995 and has facilitated many national and international professional workshops in this important area.
